KANSAS CITY, Sept. 12 .- To-day's game was the hardest fought and best played of the series and the "Blues" should have won it, but they were unable to overcome the Hoosiers' luck and uncorked ginger. Fisher was hit hard from start to finish, but the "Blues" could not get their hits together right. Fifteen hits with a total of twentyfive bases looks like it ought to be enough to win any ordinary game, but they only netted the "Blues" seven runs, while the Hoosiers were able to get ten runs on sixteen hits, for a total of eighteen bases. The first two times Kling went to the bat he had the opportunity to drive in two runs, but did nothing. The last two times at bat he drove the ball over the right-field fence with nobody on bases. Two two-baggers was the extent of the visitors' long hits,

While each team is charged with three errors, there was some very sharp fielding on both sides. Nichol made a fine running catch in center and McCarthy duplicated the feat in left. Hatfield played brilliantly at third and Roat played superbly at short. figuring in three fast double plays, which really cost the "Blues" the game. Philadelphia Authorities Will Try Him for Murdering B. F. Pietzel.

PHILADELPHIA, Sept. 12.-H. Holmes, the notorious murderer and swindler, was to-day indicted by the grand jury for the murder of B. F. Pietzel, whose and the subsequent collection of \$10,000 insurance on his life by Holmes led to the unveiling of the latter's remarkable criminal record. Holmes is now in prison here awaiting sentence for swindling an insurance company to which he pleaded guilty, hoping thereby to escape the detection of his graver crimes. The district attorney will press for a speedy trial in this city. Indictments for murder have also been brought against Holmes in Toronto, Indianapolis and Chicago.

LOUISVILLE, Ky., Sept. 12 .- Not only the grand stand, but the standing room capacity of the Louisville Driving and Fair Association was taxed this afternoon. A fast track and a bright sunshine favored the great pacing race in which Robert J., John R. Gentry and Joe Patchen were to battle for supremacy. As early as 10 o'clock this morning the street-car line leading to the track had an abundance of cars literally filled to overflowing. Robert J., the great son of Hartford, came off victorious, although but for the fact that Joe Patchen went into the air when within forty yards of the wire, in the fourth heat, there might possibly have been another ending. Robert J., however, was as steady as a clock and not once during the four heats did he go off his feet. The fourth heat, which was paced in 2:041/2, established a new record, being the fastest fourth heat ever paced or trotted by any horse.
